

# SUPPORT THE ARTS!

Dear Arts Council Contributor,

The Arts Council Board of Directors and the community of contributors have a big task ahead for The Arts Council of Wilson, Inc. Although the city and county are generous and understand the importance of the work of The Arts Council, it is our individual contributions that make up the largest part of our budget.

As we begin our budgeting process and understanding the times we are in, we need your support more than ever. It is The Arts Council of Wilson, Inc.'s, goal to improve the quality of life for all of Wilson County.

Sincerely,

W. Barrett (Barry) Page
